

Generation Texas Week

Dear Parents,

We will be celebrating "Generation Texas Week" also known as "College Week" during the week of November 16-20,2020 at McWhirter Elementary and Clear Creek ISD. CCISD schools join others across Texas in this campaign to create a culture of college and career readiness leading to the most successful generation in Texas history. Please discuss with your child the importance of a quality education and the value of going to college.

Here are a few activities that will be happening at our campus
