

Character Counts Week

January 11th- January 15th

The Six Pillars of Character is a framework for teaching good character and is composed of six core values: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. Use the mnemonic acronym of **T.R.R.F.C.C.** to help remember each pillar. Each of the six character traits are used within our character program to help instill a positive environment for students to learn. This year, we invite the students to participate in **School Spirit Dress-Up Days** during Character Counts Week. Participation is not required but is a fun way to celebrate and show school spirit.
